COVETED

blogger and influencer Hattie Bourn, of bournsisters.com, reviews the new fashion collection

What would you say your signature style is?

My signature style really depends on the day and my mood. I wouldn't say I have a specific signature style; I love boho, I love grunge – I just kind of wake up and see how I feel that day!

What do you think about the collection?

I love it! I think it's amazing for all ages, and I think they're really great, feel-good pieces that you can wear for going out, drinks with your friends or for a date.
