suitable for ages 11+

In some areas of the UK, wearing a face covering is mandatory in all indoor settings where social distancing may be difficult and where you will come into contact with people you do not normally meet. Face coverings do not replace social distancing. It is important to use face coverings properly and wash your hands before putting them on and taking them off. Visit [avon.uk.com](http://avon.uk.com) to find out more.

# HOW TO WEAR

## STEP 1

Wash your hands thoroughly with soap and water or a suitable antibacterial hand gel.

## STEP 2

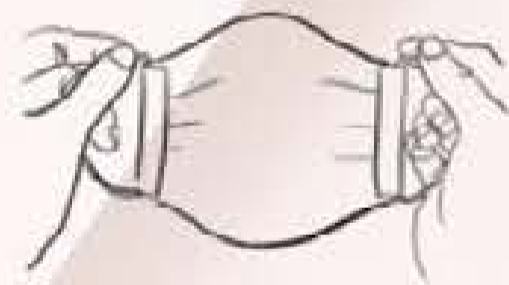

Pick up the face covering using the ear loops only, avoiding touching the face covering itself.

## STEP 3

Place your face covering over your mouth and nose, using the ear loops to secure and make sure it's snug. Don't touch your face covering while wearing it - if you accidentally touch it, wash or sanitise your hands.

## STEP 4

Remove your face covering by lifting off the ear loop without touching the fabric, or your face. Wash your hands immediately afterwards. Regularly wash it in the washing machine.
