INTRODUCING
T **TABITHA WEBB**
 our 1st ever luxury British designer collaboration

InStyle says...

“Tabitha Webb is the go-to dress designer for celebrities who want the best-fitting, most beautiful frocks on the block. Her eponymous luxury label specialises in timeless English elegance and signature fabrics and prints.”

Catching up with Tabitha...

Q. Your new scarf design is launching in this brochure – is it true it's 100% silk?

A. It is! 100% silk for only £15 – it's a bargain!

Q. You're well known for your scarves, how do you like to wear them?

A. I put it round my neck once, so the two ends hang down at the front – that's how I always wear it – or you can fold it in half and loop it through instead.

FORGETTING SOMETHING?

If you use a face wash to wash your face, and a body wash to wash your body, then why aren't you taking specific care... down there?

Why should you use it?

Intimate feminine washes are specifically designed to maintain your natural pH balance. Using harsh soaps or fragrances can damage and irritate sensitive areas.

- ✓ Gynaecologist tested
- ✓ Odour neutralising
- ✓ Soap free and perfectly pH balanced
- ✓ Contains soothing chamomile extracts
