COVETED

blogger and influencer Hattie Bourn, of bournsisters.com, reviews the new fashion collection

What would you say your signature style is?

My signature style really depends on the day and my mood. I wouldn't say I have a specific signature style; I love boho, I love grunge, I just kind of wake up and see how I feel that day!

What do you think about the collection?

I love it! I think it's amazing for all ages, and I think they're really good, feel-good pieces that you can wear for going out, drinks with your friends, or for a date.

dramatic results on wrinkles that get better over time

THE WORLD'S 1ST ROTATIONAL ANTI-WRINKLE NIGHT CREAM

featuring super-retinol and phyto+ complexes.
When used in rotation, the night creams help retrain
your skin and prevent it from adapting.

THE RESULT? Collagen levels increase
and results intensify, month after month.
Proven to be more effective than pure retinol alone.
