GET THE OMBRÉ LOOK:

STEP 1:
Remove excess polish from the brush and apply very thin layers of your top colour (over your base colour) to ensure a smooth, gradient effect.

STEP 2:
Gently apply the top colour downwards from the tip to the centre of the nail, trying not to use too much pressure.

STEP 3:
Lightly dab with a sponge to blend the 2 shades into a gradient effect, and voila - ombré nails!

SPOTLIGHT STEALING SPARKLE

Let your sparkle shine in 4 dazzling new shades.

- crystal formula gives a 3D flicker effect
- thick, streak-free, 'one-coat' coverage*
- layer up shades to create a unique look with a matte-glitter finish

THE NEED TO KNOW

All of our home fragrance products comply with the Classification, Labelling and Packaging Regulation and carry all the necessary warnings. To find out more, check out the individual product descriptions on our website: avon.uk.com

The planet is important to us, so all our electrical products are compliant to the Waste, Electrical and Electronic Equipment Act 2005 (as amended) and Avon are members of Electrolink Compliance Scheme. Keep cosy, but please keep sleepwear away from fire. Slippers are for indoors only, unless we say otherwise.

Any extra contents you see in images are not included, unless we say otherwise. We love a diagram but just remember they are for illustrative purposes only, unless we say otherwise.

All of our watches have a replaceable button cell battery and a 2-year warranty, unless we say otherwise. Our earrings are all designed for pierced ears, unless we say otherwise. They can't be returned if the sealed bag is open. Stay safe in the sun with our sunglasses, which all comply with British Standard EN ISO 12312-1:2013. Once you've found the shade you want to buy, you'll find its order code next to it. No code? Sorry you can't buy it this time but keep an eye out as it may be available again soon!

Sometimes we get a bit creative and add more pearls for visual impact. Pearls containers will only include the weight as stated.

For hygiene reasons, a replacement or refund can't be given if the gusset label is removed from our lingerie.

Sharp blades shouldn't be sold to people under the age of 18.

THE NEED TO KNOW

The prices featured in this brochure are recommended prices, which apply to Avon Reps. Our Reps have the final decision on resale prices to their customers. If you're not 100% happy with your purchase you can return it within 28 days of delivery for a full refund or exchange - even if you've already tried it. This guarantee is on top of your statutory rights. If you want to return something that came with a free gift, make sure that you return both items for a full refund. Avon reserves the right to offer you a substitute product, but if we ever need to we promise to make sure it's of equal or greater value. Products marked 'get it before it's gone' are planned for discontinuation within the next 2 campaigns, so may not appear again in brochure. They may be available online or in Avon's sales for a limited time, whilst we still have stock. Don't forget to ask your Rep for our fab Avon alternatives.
