HOW?

our breakthrough
Protinol™ Technology
gives a dual
collagen boost

BEFORE

As you get older, your skin's
optimal collagen ratio starts
to decrease, resulting in a **loss
of firmness and elasticity.**

AFTER

Protinol™ boosts both types of
collagen to improve your skin's
collagen ratio for **stronger,
firmer, visibly plumper skin.**

Our model is unretouched.

UNTREATED **IN SECONDS**

INSTANTLY BANISH YOUR UNDER-EYE BAGS

I'll magic away your under-eye bags, puffiness and wrinkles with my tightening formula that **works in seconds** and lasts all day.

HOW TO USE ME

1 Dot a tiny amount under your eye. Less is more!

2 Gently tap (don't rub) over your skin to form a thin layer.

3 Keep your face still and allow it to dry - you'll feel it tightening.

THE BORING BUT NECESSARY BIT

The prices featured in this brochure are specifically for Avon Reps selling to you (their lovely customers). However, these are just recommended prices from us, and the final decision on price lies with your Avon Rep. Discounts are referenced against lowest brochure price in the last campaign, unless we let you know otherwise.

We're very proud of our products, but if (for whatever reason) you're not 100% happy, you can

return it within 28 days of delivery for a full refund or exchange - even if you've already tried it. This amazing guarantee is on top of your statutory rights. If you want to return something that came with a free gift, make sure that you return both items for a full refund.

Sometimes we wish we had a crystal ball, but we do occasionally have to cancel or change any offer, deal or promotion. Rest assured we'll keep you in the loop.

Avon reserves the right to offer you a substitute product, but if we ever

need to we promise to make sure it's of equal or greater value.

We like to back things up with hard facts - that's why all claims are supported with clinical and/or consumer studies and/or surveys.

All of our beautifully scented home fragrance products comply with the Classification, Labelling and Packaging Regulation. If you want to learn more about this, check out our website: avon.uk.com

The planet is important to us, so all our electrical products are compliant to the Waste, Electrical and Electronic

Equipment Act 2005 (as amended) and Avon are members of Electrolink Compliance Scheme.

Keep cosy, but please keep sleepwear away from fire. Slippers are for indoors only, it's best not to wear them out to the shops.

Any extra contents you see in images are not included, unless we expressly say... sorry!

We love a diagram but just remember they are for illustrative purposes only, unless we say otherwise.

Never lose track of time again!

All of our watches have a replaceable button cell battery and a 2-year warranty, unless we say otherwise.

Adding a little sparkle? Our earrings are all designed for pierced ears, unless we say otherwise. And while we're on the subject, earrings can't be returned if the sealed bag has been opened (sorry, it's not you, it's a hygiene thing).

Stay safe in the sun with our sunglasses, which all comply with British Standard EN ISO 12312-1:2013.

Once you've found the shade you want to buy, you'll find its order code next to it. No code? Sorry you can't buy it this

time but keep an eye out as it may be available again soon!

Sometimes we get a bit creative and add more pearls for visual impact. Pearls containers will only include 22g.

For hygiene reasons, a replacement or refund can't be given if the gusset (we hate that word too) label is removed from our lingerie. We love you, but not that much.

Time to be sensible! Sharp blades shouldn't be sold to people under the age of 18.

Stay wise to the time with a **colourful watch**.
